

MY PASSIONS

I am retired now and I can focus on my two passions: wine and travel in Italy! For the past 5 years, I organized annually for friends and family trips to Tuscany to meet our wine producers. Over the years I have developed expertise on the region, its attractions, the fine tables and of course the good wines!

I now offer my services to organize your next trip to Tuscany and for you to meet our great wine producers in Montalcino, Montepulciano and Chianti.

Typically the trip will last 12 days including 3 nights in Florence, 4 nights in Montalcino and 4 nights in the Chianti region. I will adapt the trip to the needs of the group. The best times to visit Tuscany are May, June and September.

The cost of my services depend on the number of travelers. A minimum of 8 people is usually required. In general, the costs should be around \$ 400 to \$ 500 per person and payable before making any reservations. We develop together your itinerary and we will travel to meet your goals.

A trip like the one I propose requires about 6 months of preparation to facilitate the bookings of flights and accommodation.
